at 12 M., and make close connection at Jackson with cars on the Mobile & Ohio road. Trains going south pass here at 21 P. M.

with passenger and freight trains on the southern division of the road that go through to Canton, and there connect with trains to and from New Orleans direct. Time from Bolivar to New Orleans, 33 hours. Connection is also made with trains on the Memphis and Charleston road running east and west of the Junction.

Notice.

With this number, ends the first volume of the Bonty ar Bulletin. On the 18th inst. the first number of the second volume will be issued, by which time we hope that our friends who are getting up clubs for the BULLETIN, will hand their lists in so that the names of subscribers can be placed upon the books of the office.

COUNTY COURT .- This Court convenes on Monday next.

Read them and make it pay.

GLORY .- "Glory enough for one day!"the rump Congress of the dis-United States and the self-styled legislature of Tennessee have adjourned! O, ye gods and little fishes, is not this refreshing?

the "knowing ones," we learn that the time | Read Mr. Hubbard's card. fixed for holding the Circuit Court in this place is the 4th Mondays in February June and October.

The time for convening the Chancery Court is the 3d Mondays in September and March. See our Directory on first page for Widrig, foot of Adams st., Memphis. names of officers of the Courts.

Bills, our fellow-townsman, was selected by ceries. the Convention which met at Memphis on We call the attention of country merthe 26th ult, as one of the delegates from chants to the card of the mammoth dry-goods this Congressional District to attend the establishment of the Elson Brothers, Mem-Philadelphia Convention, which convenes on phis. the 14th inst. Major Bills is eminently fitted for the position-he is a thorough, libe ral miffded, conservative; a man every way your stoves, tin-ware, oils, lamps and lanidentified with the prosperity and welfare of this section and the country at large; no terns from Blood & Co. better man could have been chosen, and cer- To Chewers - Fleming, Ussery & Co. thinly no one more able and fully competent bave a large lot of fine chewing tobacco to discharge the duties of a delegate in the which will be sold at very low figures. Now's Convention will be there. Old Hardeman your time to chew your own "tobacca." endorses the selection, and feels that she will be correctly represented.

little city is beginning to put on airs and terms at cost prices _ shows a dispotion to stand from under the merciless grip of extertioners and one horse wagons. What we have heard may all be in your eye, and then again, to use the language of old Davie Crockett, " bit mightent." "Talk's talk" the world over, and we are MONOMENTAL -Owing to the absence of that a street railroad he constructed along so nobly striving to collect Main street to the railroad and thence along said road to the depot of the Mississippi Central. It is held that such a track can be put in good running order without incurring a great outlay, and that such an improvement is badly needed by all classes of our citizens. Surely it would facilitate the receiving of freights and be a source of profit! to the stockholders. Talk about it, gentlemen; there may be a little bulm in Gilead, and if there is anything there that will cure the ills that flesh is herr to, surely we may find a way here to remedy evils that have affected us so long.

"Some Punkins vs. Oats"

Our Williamson and Rotherford friends will both have to "take in their signs." We have now in "our office," three heads of oats | snited to a southern trade | Don't fail to see the longest of which measures 19} inches them. in length, and is well filled. As to the length of the stalks which produced these fine heads, we never inquired, but supposed they must have been at least ten feet in length, They were grown by our friend Isabh Parker, of this county. Try it again, Messrs.

Review and Monitor .- Shethyville Union. Will the Shelbyville Union listen to us for a husband both gallant and gay. away down here in old Hardepian for a moment? Talk about your "heads of oats," and all that; why, they had a "hull lot" o wooden heads up there at Nashville a few them, when in Memphis, call at his Art Galdays ago that stood a "leetle" over anything ever produced in this State. But we want to tell about a pumpking rine that is growing in the north edge of this county-away out on piney. The seed was planted early in the spring, and after the plant had extended itself over about five acres of ground one of the main runners commenced stretching itself in this direction, continuing to grow rapidly until it reached a point on Hatchie river, known as Reynolds' hold, where it butted up against a cypress tree and then took a sheer off to the North, crossing the field from whence it sprung and there produced a pumpkin that, by actual measurement, has been ascertained to be no less than 90 feet in-diameter. And stranger than all -an old gentleman who lives about eighteen miles from here says that he lost a fine sow last week, and was at a loss to find her, until one day he went, in company with some friends, to see the great pumpkin, and noticgidered quite a wonderful growth

Legat - Read the femil sulvertisements

Low Water .- Hatchie river is lower now named Dead Timber Chute!

Fervices on every Sanday and on all the floly Days by the and justly celebrated wit and man-of-all-work, the honor of old Hardeman and see that we are pleased to see, is one of the permus she does not fall shear of any of her spirited Grocers, Cotton Factors, neutfixtures of the Memphis Appeal "Carr's cousins. Where's die committee of ara brick," and he's got lots of bats to throw!
